

## 2023 American Red Cross Course Schedule Guidelines

Aquatic Management of Houston offers a variety of American Red Cross courses throughout the year for certification in Lifeguarding, First Aid & CPR/AED for Lifeguards. In these courses, you will learn about the duties and responsibilities of a lifeguard and how to carry them out in a professional manner.

Successful course completion requires **100% participation** in classroom and skill sessions, as well as successful performance in skill and knowledge evaluations. **If you miss any classes, there are no make-ups. The schedule IS THE schedule, no substitutions.** You must re-register and pay to attend another class. **Please provide picture ID on the first day of the Course.**

Due to the nature of the skills in this course, you will participate in strenuous activities, such as performing CPR on the floor and removing someone from the water. If you have a medical condition or disability or if you have any questions about your ability to participate fully in this course, discuss them with your physician or healthcare provider and with an American Red Cross Lifeguard Instructor **BEFORE** you start this course.

### Refund Policy

Once you have paid for the Lifeguard class you have reserved your spot in the class. When the first day of class has begun there will be **NO REFUNDS** for any reason. If the first day of class has not begun you may move your registration to another Lifeguarding class offered by Aquatic Management of Houston in the same year dependent on course availability. If you do not pass the prerequisite there will be **NO REFUNDS** for any reason. You must re-register and pay to attend another class. Aquatic Management of Houston reserves the right to cancel a class due to lack of enrollment. If this occurs, you will be offered first choice in the next available class.
